Objectives:

To provide awareness and encouragement to new and existing members of service opportunities at Bethel Lutheran Church

To encourage and facilitate members' involvement in God's work in the church

Goals:

To identify, organize, publish, and distribute a complete list of service opportunities to all members

To mentor new members by welcoming them and providing them with information regarding volunteer opportunities

To guide new members to use their time, talents, and spiritual gifts in God's service

To reach out to all members by providing them information on volunteer opportunities

To stretch the growth of members' faith through volunteer services

Whether you are an 'old' member, a 'new' member, a visitor, or just not decided, we hope this booklet may assist you in finding the correct person to contact to become involved in the activities you choose as part of your church life here at Bethel.
